10 MIT's pledge SAI

This semester, we had many amazing girls come out to recruitment. Ten girls are now in the process of becoming Sisters: Yessenia Amaya, Laura Codispoti, Keila Folds, Kaye Hensler, Julie Jones, Nikki Mauro, Caitlin O'Hara, Laura Rosenberg, Jessica Wood, and Liz Wood. For their MIT project, they are planning on helping publicize the Male Pageant Fundraiser and selling food at the event. All proceeds will be donated to Philanthropies.

At the beginning of this semester, Gamma Iota took a retreat to Washington D. C. We toured the Kennedy Center and the National Monuments, as well as the National Museum of American History. Above are the girls at The Cheesecake Factory.

Senior Recitals

Patricia Lawless gave a beautiful senior recital on March 20.

Relay for Life

So far 18 people have joined the Sigma Alpha Iota Relay for Life team. If you are interested in joining us, we have made a second team, Sigma Alpha Iota 2. Sisters have raised \$570 so far for the American Cancer Society.

Gamma Iota to host Male Pageant

As a fundraiser, Gamma Iota is planning a male pageant. Contestants will be men of the music department or the Marching Royal Dukes, and they will compete in activities such as formal-

wear, beach wear, casual wear, talent, and a group dance. This event is scheduled for Tuesday, April 27 at 8pm in Grafton Stovall.
